

THE SEAMEO INNOTECH READER

Explore e-book reading with the **SEAMEO INNOTECH Reader**, a universal e-book reader application that allows consistency in style, format, and readability of digital reading resources especially designed and customized for teachers.

Download it now from Google Play for free.

ANDROID

THE SEAMEO INNOTECH READER

The SEAMEO INNOTECH Reader is designed to support a full and efficient user experience of SEAMEO INNOTECH electronic publications like toolkits, research reports, policy notes and other e-resources on your mobile devices. It can be downloaded from Google Play for free.

ADDING AN E-BOOK

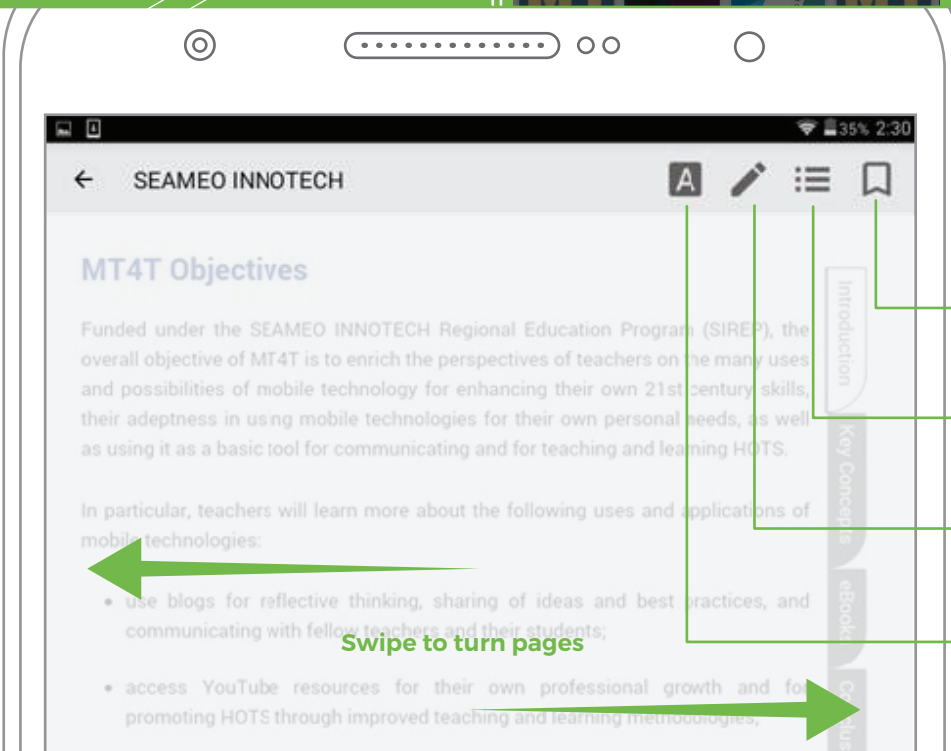

You have two options in adding an e-book to your mobile device.

A Download e-books under the **For Download** tab

B **Import** e-books from your storage device

You can view the e-books added to your collection either in list view or shelf view.

READING AN E-BOOK

Tap the e-book you want to read and tap **Read**.

- 1 Bookmark a page
- 2 See table of contents, bookmarks, or pages with notes
- 3 Adjust font and appearance of the text
- 4 Highlight text or make drawings and doodles

DELETING AN E-BOOK

1 Long press on the e-book you want to delete until a checkmark appears.

2 Tap the trash bin icon on the upper right corner to delete.

To cancel, tap the selected book again.
