

# THE SEAMEO INNOTECH READER

Explore e-book reading with the **SEAMEO INNOTECH Reader**, a universal e-book reader application that allows consistency in style, format, and readability of digital reading resources especially designed and customized for teachers.

Download it now from the App Store for free.

## THE SEAMEO INNOTECH READER

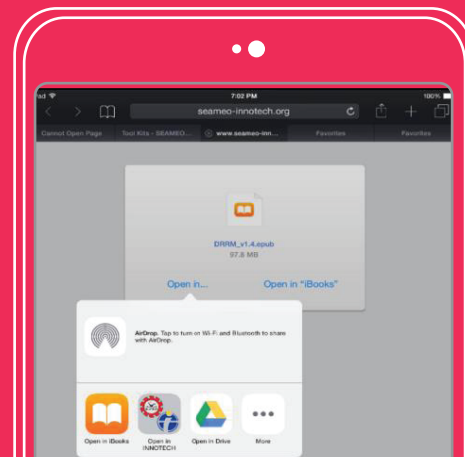

The SEAMEO INNOTECH Reader is designed to support a full and efficient user experience of SEAMEO INNOTECH electronic publications like toolkits, research reports, policy notes and other e-resources on your mobile device. It can be downloaded from the App Store for free.

### ADDING AN E-BOOK

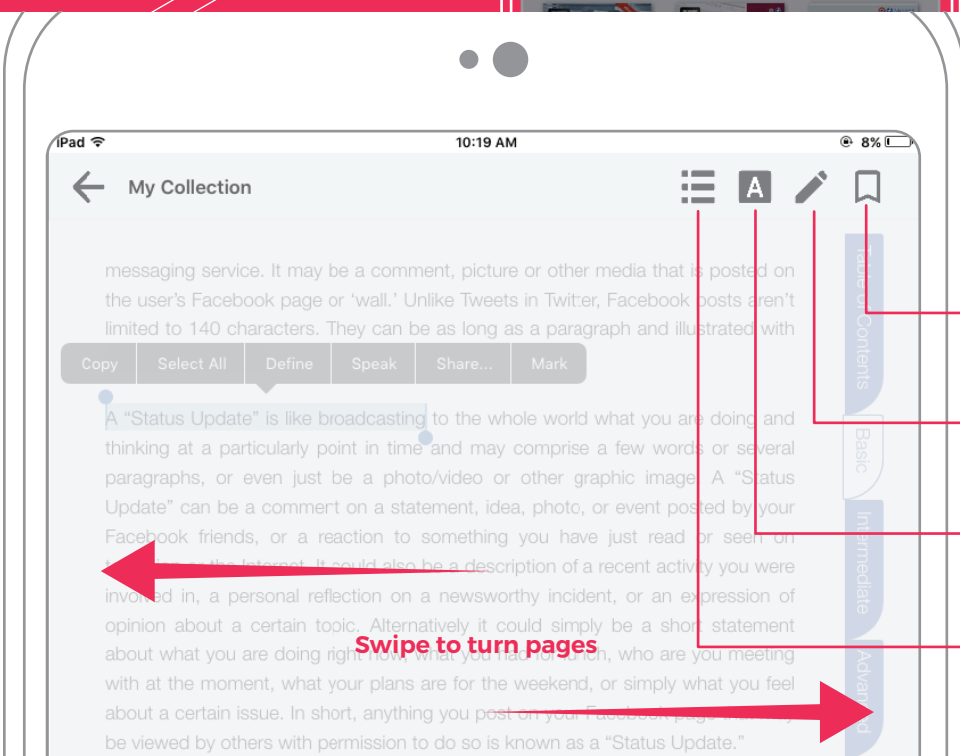

You have two options in adding an e-book to your mobile device.

**A** Download e-books under the **For Download** tab

**B** Save e-books opened in your browser by choosing to **Open In** the SEAMEO INNOTECH Reader

You can view the e-books added to your collection either in list view or shelf view.

### READING AN E-BOOK

Tap the e-book you want to read and tap **Read**.

- 1 Bookmark a page
- 2 Highlight text or draw
- 3 Adjust font and appearance of the text
- 4 See table of contents, bookmarks, or pages with notes and drawings

### DELETING AN E-BOOK

- 1 Long press on the e-book you want to delete until a pop-up box appears
- 2 Tap **Delete** on the pop-up box
