Empowering Teachers through Mobile Technology

Mobile Technology for Teachers (MT4T) is a teacher resource kit using mobile technology for 21st century learning in Southeast Asia.

Mobile Technology for Teachers (MT4T) is a teacher resource kit that promotes the use of mobile technology in Southeast Asian educational settings. The kit provides a basic guide in using mobile devices, such as smartphones and tablets and their accompanying applications, as tools for teaching and learning in the classroom and for teachers’ personal and professional development.
